On Saturday, April 6th, from 11:30am to 4pm, Five Points Museum of Contemporary Art brings the 2019 Victoria Art Car Parade, a FREE family event. Ann Harithas, founder and Executive Director of the museum has been a judge at the annual Orange Show Houston Art Car Parade for over 25 years and is also founder of the Art Car Museum in Houston.

For the 2019 Victoria Art Car Parade, Harithas has organized award-winning art cars from noted car artists for display both at Jam Fest 2019 downtown, and on North Moody Street in and around the Five Points Museum. More than 50 art cars and lowriders on exhibit will display a variety of painting and sculptural techniques, including welding and metal craft, gluing and assemblage, and collage. Art cars scheduled to appear include multiple works by David Best, "Our Lady of Transporta-

tion" by Amber Eagle and exquisitely detailed lowriders by the Leal Brothers from Corpus Christi. All the art cars have won top honors at the Orange Show Houston Art Car Parade and several can be found on display at various times at Five Points Museum.

Festivities will kick off with Victoria's 8th annual Art Car Parade downtown. After the parade some art cars will park so Jam Fest 2019 visitors can take a closer look. The rest of the parade cars will proceed to Five Points Museum at Moody and North Street for the museum exhibition opening.

Coinciding with the parade is the new exhibition Salvaged Species by Houston artist Mark "Scrapdaddy" Bradford. The opening reception for the exhibition will be held at the museum from noon

The O'Connor & Hewitt Foundation, Film Exchange, and The David Ross Fetzer Foundation for Emerging Artists are thrilled to have the opportunity to present the eighth annual Victoria TX Independent Film Festival, April 4th - 7th, in downtown Victoria, TX. VTXIFF is designed to inspire and champion independent artists, while introducing the community to the passionate work being done in independent cinema.

Moviemaker Magazine ranked

VTXIFF among the top 25 in its list of 50 fests worth the submission fee in 2015 (and 2013). Rutter Hauer, legendary actor and director of his own film festival, visited VTXIFF and declared, "This is where good shit happens." VTXIFF is the rare film festival run by passionate filmmakers who know how to deliver on the promise of what that experience should be for other filmmakers... like coming home.

Past juror and alum, Lisa Mar-

tin describes the festival as, "a rare film festival that understands that filmmakers need far more from the festival experience than Q&As and networking. VTXIFF is that rare community that celebrates, champions, and inspires artists of all kinds... especially filmmakers".

Victoria TX Independent Film Festival (VTXIFF) is as much about the magic that happens when artists of all kinds bond, influence See FESTIVAL, pg. 2

Calling all basketball fans! The Food Bank is excited to announce the return of the Flight Squad to Victoria. Join us at the Victoria College gym at 7 p.m. on Friday, March 22 for an evening of high-flying dunks, exciting trick shots,

and lots of fun and laughs, all for a great cause.

The Flight Squad is a comedy/exhibition basketball team of former NCAA Division I players who travel across the country raising money for local organizations and nonprofits, giving presentations at schools, and generally spreading

goodwill wherever they go. Next Friday they will play against THE BRAVE of the Victoria Fire Department and all proceeds will go to the Food Bank.

The Victoria College has kindly offered to host the game at their gym, and due to a generous sponsorship by HEB, ticket prices are very affordable. Adult tickets are \$10, kids ages 6 to 16 are \$5, and children 5 and under get in for free. Tickets are available at the door or on the Food Bank's website at [www.tfbgc.org](http://www.tfbgc.org).

Prior to the game, the Flight Squad will be performing for the students of Stroman and Patti Welder middle schools. The students will be treated to a high-energy basketball show with music and dancing as the Flight Squad members spread their message of positives, respect, anti-bullying, and inspiration. La organización sin fines de lucro Catholic Charities dijo que más de 100 inmigrantes indocumentados fueron dejados en la noche de este sábado en San Antonio.

Los indocumentados fueron dejados en la estación de autobuses de Greyhound porque los centros de detención en Eagle Pass, Del Rio y el Valle del Río Grande no tienen espacio suficiente para mantenerlos arrestados, informó Fox San Antonio este domingo.

El proyecto de ley SB 168 prohibiría las políticas de “santuario” y exigiría al estado y a las autoridades colaborar con el personal federal del Servicio de Inmigración y Control de Aduanas (ICE en inglés) para que acepten cumplir con las solicitudes de detención de aquellos considerados “extranjeros deportables” según la ley federal de inmigración, reseñó Fox News.

Program expected to help thousands of Texans with reimbursements for eligible out-of-pocket expenses for Hurricane Harvey repairs.

Today Texas Land Commissioner George P. Bush announced the Homeowner Reimbursement Program will be beginning the application process Feb. 28, 2019. In advance of the application release date, Commissioner Bush is encouraging potential applicants to visit the website, [Recovery.Texas.gov/HRP](http://Recovery.Texas.gov/HRP), to learn the specifics of the program and review the Homeowner Reimbursement Program Checklist to have all applicable documents ready prior to applying.

“Texans have proved incredibly resilient in the wake of Hurricane Harvey, and many folks have poured their life savings into making their house a home again,” said Commissioner Bush. “The GLO is working to spread the word that help is on the way. In advance of the application being released, we encourage interested homeowners to begin preparing documentation for potential reimbursement.”

The Texas General Land Office (GLO) allocated \$100 million in Community Development Block Grants for Disaster Recovery (CDBG-DR) funds from the U.S. Department of Housing and Urban Development (HUD) to reimburse homeowners up to \$50,000 for eligible out-of-pocket expenses incurred for repairs to their Hurricane Harvey damaged home, including reconstruction, rehabilitation or mitigation. Homeowners in Harris County and the city of Houston will be able to apply for similar programs funded by direct allocations.

In accordance with HUD re-

quirements, to be eligible for this program:

- The home must be the owner’s primary residence.
- The homeowner must be able

to provide proof of damage from Hurricane Harvey.

- The homeowner must be able to provide receipts and/or invoices for eligible repairs.

• Eligible repairs must have been completed prior to the application launch date of Feb. 28, 2019. Additional criteria may apply. In accordance with HUD re-

quirements, homeowners are not eligible if:

# Community crime prevention

by Officer John Turner

What is one of the most effective and cost efficient ways to prevent crime while developing bonds between residents and local

law enforcement?

Neighborhood Watch  
Who knows a neighborhood better than the residents who live there? Neighborhood Watch simply encourages those residents

to organize and create a group of neighbors who look out for each other and won't hesitate to take action when something is amiss in their community.

Let us be clear, however, by taking action we mean that neighbors will contact the authorities dedicated to handling the issue of concern, not become directly involved.

By participating in an active Neighborhood Watch you and your neighbors will become more acquainted with each other and develop a stronger bond with local law enforcement.

Through the many different public education classes offered by law enforcement, you will increase your awareness of the

types of criminal activity occurring in your community, know what to look for and how to prevent it, which can ultimately lead to a safer community by reducing or removing the opportunities for crime to occur.

The well-known Neighborhood Watch sign, seen in many neighborhoods throughout our community is a notice to criminals that they are probably being watched, that you and your neighbors have taken steps necessary to deter crime and that nothing in that neighborhood is going to be an easy target.

night's game.

The Flight Squad first landed in Victoria in November 2017. "It was such an awesome night," says Robin Cadle, Food Bank President/CEO. "They played against the Victoria and Stroman High School alumni team and put on an incredible show. We are thrilled to welcome the Flight Squad back to Victoria and would love to make this a yearly event."

Brad Madigan, Captain of Fire Training, says that the Victoria Fire Department is ready to take on the Flight Squad. Their team, THE BRAVE, have been practicing at the Victoria College gym in preparation for the game and they are excited to show off their skills on the court.

"We are always looking for fun ways to further our mission of

helping heal the hurt of hunger," explains Cadle. "This is going to be a great game with high-caliber basketball and lots of laughs, and the money raised will go toward feeding the hungry throughout the eleven counties we serve."

Come out and cheer on the Victoria Fire Department as they take on the Flight Squad. After the game kids can take photos with the players and the Flight Squad will be signing autographs. We hope you will come out and enjoy this exciting, family friendly event!

to 4pm following the parade. Featured in the parade in years past, Bradford's walking contraptions, otherworldly beings and wall sculptures will be on display inside the museum. We invite everyone to see up close how Bradford takes discarded scrap metal and gives it new life. There will also be kids' crafts areas hosted by Manhattan Art Program and refreshments.

Salvaged Species will be on view from April 6th through June 30th. Known by his nickname, "Scrapdaddy", Bradford's work has been exhibited in museums around the world. He has worked in Texas for over three decades drawing upon the scrapped and discarded remains of commerce and industry and transforming them into creatures, vehicles and other sculptures that are recognizable in their source material yet completely novel in their repurposing.

For those who would like free travel from Houston: Wayne Gilbert will be hosting a travel bus from Houston to Victoria and back this year, as per tradition. The bus will arrive at noon and depart around 7pm- just in time for museum activities, Jam Fest 2019, and more! Please call us (361)-572-0016 for more information regarding bus travel.

Museum to Jam Fest 2019 Shuttle

 1 teaspoon salt  
 1/2 teaspoon pepper  
 2 small balls fresh mozzarella cheese (about 1/3 ounce each)

 Fresh oregano sprigs, optional

1. Preheat oven to 400°F.
2. Combine ground beef, eggs, breadcrumbs, garlic, 1 tablespoon chopped oregano, salt and pepper in a large bowl, mixing lightly but thoroughly. Divide mixture into 12 equal portions. Lightly shape into patties.

4. Meanwhile, prepare spaghetti rigatoni or linguine according to manufacturer's directions and heat pasta sauce in large saucepan until hot, stirring occasionally. Add meatballs and cook until heated through (about 5 minutes).
5. Spoon meatballs and sauce onto hot pasta. Sprinkle with remaining 1 tablespoon chopped oregano. Garnish with oregano sprigs, if desired.
